THE FIGHTING RANGER

AN 18 EPISODE ADVENTURE PICTURE.....FEATURING JACK DAUGHERTY

EPISODE 16.....LEFT FOR DEAD

After the fall of the shack from the precipice Mary Marshall and O'Rourke pick themselves up at the bottom of a pit from which they are raised by Taggart and his men who have come to get back the topaz. He accuses O'Rourke of the theft and attempts to search him. Bud Hughes, apparently killed by the fall, raises himself on his elbow and holds the Taggart gang at the point of a gun while O'Rourke ties them all up and escapes with Mary and Bud.

Buck Rogers, who has double crossed Taggart and stolen the topaz, deciphers the secret of the gem and, with Ida Hubert, finds the cave of the Yaqui treasure. He sends Ida in a car for the rest of the gang. She stops at a rangers house for food and pays with a nugget. The ranger accompanied by his friend O'Rourke, ~~Mary and~~ returns home. His wife shows him the nugget. O'Rourke realizes that they have located the cave and they ~~follow her~~ pursue her in the ranger's plane. Ida seeing them from the road, siezes a plane abandoned by Bud and takes to the air. With no chance of eluding them she decides to wreck them by leaf dropping and side-swiping one of their wings. The planes collide. One of them drops to the ground.
